

Dear Friend,

We need your help! S.H.A.R.E. House, our **local** *family violence crisis center*, is hosting their 13th Annual Fourth of July Independence Day Festival, which is their major fundraiser.

Instead of Hunter Park, which will be closed this year because of renovations, the festival is being held at The Plaza in ***downtown Douglasville***. The festival and parade are begin held on Monday July 5th (since July 4 falls on a Sunday). As you know, the Plaza is in the center of the parade audience and parade route giving you a great opportunity to showcase not only your company, but your community support.

Some startling statistics:

In the USA a woman is physically abused every 9 seconds.

- 50% of men who frequently assault their wives also frequently abuse their children.
- Slightly more than half of female victims of intimate violence live in households with children under the age of 12.
- On a national basis, 50% of homeless women and children are there due to violence in the home.
- A down economy directly affects domestic violence: less income, more abuse, more offenders, more victims, more services required, more shelter space and services required.

Our efforts have begun to make a difference. With your sponsorship, you are helping provide food, shelter and safety to the many victims of domestic violence in our community and we are so very grateful for your support.

This important fundraiser is structured to help bring you and your company front and center, while helping provide essential help and services to those most vulnerable. Please choose a level of sponsorship on the attached sponsor form and mail to the address listed on the bottom of the form with a copy of your logo. If you have any questions, please call Davidae Walker at 770-605-5129 or Marcia Hampton at 678-715-6091.

For more information about S.H.A.R.E. House, please visit our website at www.sharehousedouglas.org.

Thank you for your caring. We look forward to working with you.

Sincerely,

Marcia Hampton
